We want to fill these experiences with happy memories where new friendships are fostered and where returning the following year is a top priority.

We ensure that the students are occupied morning, afternoon and evening. There is constantly something new to try and experience and our emphasis is always on fun and all round enjoyment.

We have found, over the years, that this makes for a truly memorable programme.

Our international environment enables students from different parts of the world to exchange ideas and experiences, and to communicate in English. The dates for each of our schools can be found above. Different schools have different start and changeover dates. We advise that students should stay for 2 – 3 weeks though it is possible to book for more or less than this.

Our fact sheets will tell you which airport is recommended for each school. Supplements may apply if a different airport is chosen.
STANDARD EXCURSIONS
Students are taken on escorted coach excursions twice a week. Entrances are included on most excursions, these range from boats trips to museums to University visits. As we maximise the occupancy of the coach we cannot guarantee to send groups exactly where they would like to go however if you tell us early we will try our utmost.
If groups would like to go somewhere further afield or into an entrance that is not included, then a supplement may be payable.

Our ‘Live the City’ excursions are an excellent way to see the historical and cultural icons of our cities. Students race around the city looking for the answers to their fact finding challenge.

EXTRA EXCURSIONS
There are also free (or changeover) days where extra excursions can be organised. We have given you some ideas for these excursions on our fact sheets. On these days it is popular to lay on recreational, rather than cultural, trips. We would advise that you book these extra excursions in advance.

If you would like to spend some quality time in London why not book one of our London Extension stays?

EVENINGS
Our evening activities change every night and include Discos, Karaoke, Blind Date, Talent Shows, Fashion Shows, Films, Man Hunt and many more.

MEALS
A mixture of English and Continental Breakfasts are served. At lunch and dinner, there is always a salad bar with choice of hot meal (including a vegetarian option) and plenty of fruit.

LET US KNOW YOUR FAVOURITE FOOD OR TRY SOMETHING TYPICALLY BRITISH.

AFTERNOON ACTIVITIES
There is a wide range of activities on offer for maximum participation and enjoyment.

Activities are many and varied and normally include Aerobics, Arts and Crafts, Badminton, Basketball, Drama, Frisbee, Football, Golf, Handball, Hockey, Kwik Cricket, Netball, Rugby, Table Tennis, Tennis, Volleyball, Water Polo, Yoga and so many more. We also offer creative options plus visits to local attractions.

CENTRE INFORMATION
General information on each school as well as details of accommodation can be found on our Centre Fact Sheets. More detailed information will be sent out a month or so prior to departure.

Please note that schools provide a full internet service and use of computers for staff and students. WiFi is again available in most (but NOT all) schools. Pre arrival information will be clear as to WiFi provision.

A laundry facility is provided in all our centres. Schools will either do the laundry for the students or there will be laundry facilities available.

With the English plus options, please note the following:

- Early booking is advisable. When we reach the maximum for each option, we will close bookings for that week.
- It is NOT possible to pull out of an option that has been pre-booked without forfeiting 100% of the monies paid. This is because we commit to teachers in most options based on a minimum number.
- It is NOT possible to join an option in the middle of a week.
- English Plus options are wholly dependent on a satisfactory/suitable level of participants. Without this Project International reserves the right to cancel a particular option in a particular week. Obviously any monies paid will be fully reimbursed.
- If a student decides to change option on arrival they will forfeit monies paid for that option and will have to pay for any new option they may decide to take up.

PROJECT INTERNATIONAL SUMMER SCHOOLS

TRINITY COLLEGE LONDON

Ultimate Adventure Kingsley
TUITION

English tuition is a core part of our programme. Students have 15 hours contact time per week and there are generally no more than 16 students in a class. Emphasis is placed on getting students to interact and converse in English as much as possible. This is accomplished by providing students with interesting communicative activities that help stimulate and encourage language use.

TEACHING MATERIALS
We have a wide range of communicative resource materials available to our teachers. These include an array of interesting and exciting language activities.

THE EFL SYLLABUS
There is a specially-designed syllabus for all our language levels, which ties in closely with the CEFR. This clearly presents the topics and the language structures/functions that are covered in class. Our teachers all follow this syllabus with some flexibility to allow teachers an opportunity to integrate their own ideas and materials.

CERTIFICATES
An end of course EFL certificate is awarded to each student.

Don’t forget our English plus English option!

A EXAMPLE TEACHING DAY
Classes generally begin at 09.00 and finish at 12.30. There are also two 15-minute breaks.

<tr>
<td>10.15-11.15</td>
<td>The focus here is on getting students to work together on a specific task, using the language function or grammatical structure covered in the first hour. By setting an interesting skills-based task, we feel it stimulates communication and is also more enjoyable.</td>

<tr>
<td>11.30-12.30</td>
<td>The final hour of each teaching day is devoted to more creative language use. Thus, students are encouraged to work on a range of small projects related to the day’s topic, which are often presented by students to the class.</td>

Why not try one of our additional English programmes?

TRINITY COLLEGE SPOKEN ENGLISH EXAM
It is possible for groups to take the Trinity College Spoken English Exam. These must be booked by June 1st. Students who take the exam are given assistance and didactic support during the English course to ensure that they are well prepared for the exam.

‘USE OF ENGLISH’ COURSE
Our ‘Use of English’ course is aimed at students with a high level of English. The aim of this course is to provide students with an opportunity to learn more about British culture, engage in lively debate, improve their public speaking skills, and explore various aspects of English literature and drama.

INTENSIVE ENGLISH COURSE
This course is held at our Burgess Hill Summer School. The programme involves 25 hours a week in small classes (no more than 8 in a class) with qualified TEFL teachers and working towards the Trinity College Oral Exam at the end of the course.

The morning session is spent introducing a range of new vocabulary and grammar, as well as developing specific language skills. After lunch, students are provided with extensive communication practice opportunities.

The students will follow the same excursion and evening programme as the other students at the centre. Therefore, not only do they receive a more intense English programme they can still relax with the other international students.

OUR STAFF

Our caring staff are on site 24 hours a day and are recruited for their ability to work with children and for their flair or qualifications for teaching or activities.

There are senior staff specifically responsible for English, Afternoon Activities, Excursions, Social Activities and Welfare and Pastoral Care.

Welfare and pastoral care are top priorities and medical assistance is always on hand with our on site First Aiders and access to Medical Professionals.

We also place a huge emphasis on safety and security and are constantly reviewing these vital areas.

WHAT IS WORK-RELATED LEARNING?

In the current economic climate, it is essential that young people are equipped with the skills, knowledge, qualifications and experience they need to meet the demands of the future workforce. Using specific work-related activities, participants develop an understanding of the world of work, raise their awareness of some of the skills they need to build successful careers, and increase their employability.

WHAT ARE THE BENEFITS OF THE WORK-RELATED LEARNING PROGRAMME FOR STUDENTS?

› Improves their understanding of business and educational organisations and how they operate.
› Develops skills that employers want, such as teamwork, problem-solving and communication skills.
› Develops career awareness and how to prepare an application for a new job.
› Increases their motivation and self-confidence.
› Provides them with an opportunity to 'learn by doing'.
› Improves their spoken English language skills and their ability to present information.

WHAT IS THE FOCUS OF THE WORK-RELATED LEARNING ACTIVITIES?

Conversational aspect:
Students discuss a range of topics, with the emphasis placed on the workplace. Topics may include areas such as employment trends, the role of ethics in business, technology and business, future prospects for millennials.

Career development:
› The aim of a cover letter is described, with time devoted to learning how to write a successful letter of application and a CV.
› The types of phrases that are commonly used in job interviews are presented, followed by students engaging in mock job interviews.

Educational aspect:
› Students examine aspects of the British educational system, and compare and contrast it with another educational system.
› Students meet a school representative who presents the history of the school, the student population and the types of third level institutions attended by its former students. They receive information about the day-to-day running of a school.

Economic aspect:
› Students research the economic history of a local town, which is presented to the class.
› Students visit a local not-for-profit business to find out about the role of the organisation, how it operates and determines how the proceeds from sales are spent.
› Students visit a for-profit local business to explore its business model and its day-to-day operations.

Managerial aspect:
› Students examine how a typical summer school operates. This includes finding out about individual roles and the kinds of procedures involved in running not only a successful camp, but any kind of business.
› Students actively engage in organising an event. This includes planning the activity, implementing the plan and evaluating the process.
› Teams of students take part in work simulations to resolve business-related problems, using roleplaying, teamwork, decision-making and problem-solving skills.

Total number of hours: 16
Minimum English language entry requirement: B1 CEFR / Intermediate
This course is only suitable for students aged 15-17

Accreditation
On completion of the work-related learning programme, students receive a certificate of attendance, providing they complete 75% of the course.
**BRITISH HERITAGE EXPERIENCE**

As an added bonus to our Summer Schools we now offer the addition of the British Heritage Experience. The aim of this programme is to provide students with the opportunity to 'experience' authentic British heritage in depth.

Students on this programme will follow the regular English programme but for some afternoons a week they will have some extra special experiences.

### GENERAL BOOKING TERMS & CONDITIONS

1. The first move by a client towards booking a group with PROJECT INTERNATIONAL (PI) must be to request a set number of places for a specified time period (arrival and departure to be clearly stated.) PI will then send a letter of allocation specifying how many places are being held, name of centre and the exact arrival and departure dates. It will also specify a cut-off date by which time the reservation will be released. Deadline dates can be extended on request, though PI cannot guarantee to do so. An allocation letter does NOT constitute confirmation of booking in any shape or form.

2. Once a client wishes to go ahead and confirm the reservation, they must put this confirmation in writing. PI will then have a standing date (as on allocation letter), number in group (excluding free places) and clearly signed by the person responsible for handling the booking. All future correspondence will be addressed to this person. (Min. Numbers can be added at a later date subject to availability.) The booking will be confirmed and a contract will then exist, once PI have confirmed the details of the booking in writing. This will be done within 24 hours of having received the client’s confirmation letter.

3. Within two weeks of having confirmed the booking, PI will require a deposit, an invoice will be raised for the projected total and the client will be in breach of contract if this payment is not made by the date specified.

4. The balance will be due four weeks prior to arrival in the UK. (In the event of an option being taken out less than four weeks before arrival in the UK, full payment will be due on confirmation.)

5. As stated above, extra numbers can be added to a group at a later date (subject to availability.) This will be confirmed in writing and an invoice raised accordingly; payment will be expected immediately if less than four weeks before arrival.

6. Should a client have to cancel a booking, it must be done in writing to PI and, once received by us, we will acknowledge this in writing within three working days of receiving the client notification. Cancellation charges are payable as follows: More than 4 weeks before commencement date - Loss of deposit 3–4 weeks before commencement date - 60% of holiday cost 2–3 weeks before commencement date - 85% of holiday cost

7. PI reserve the right to exclude, expel or refuse any person at any time to any course or activity if in the opinion of PI, that person is not compatible with the general enrolment or well-being of other clients. In this case, no refund will be given for any unexpired portion of the activity, course or tour. Similarly, if a student decides to leave a course early, no refund can be given by Project International and extra cost(s) may be incurred (in a transfer to the airport).

8. No cancellation will be paid or refund given if the cancellation or change by PI is brought about by war or threat of war, strikes, disaster, terrorist activities, quarantine, technical problems with transportation, weather or any other event outside the control of PI.

9. PI shall not be liable for any loss or damage to any luggage or any person undertaking a holiday, or any loss, delay or inconvenience, or fatal or other injuries or illness suffered by that person, provided PI has exercised reasonable care.

10. The details in the PI brochure and outlined in other literature are published in good faith as of September 2018. Holiday activities (incl. English Plus), centres, travel details and host families are subject to change and are dependent on weather, programme requirements, and a satisfactory level of participants. PI reserve the right to make any necessary change for any aspect of the programme prior to arrival or during the holiday. Where it is necessary this will at all times be done with the success of the programme, and the overall enjoyment by the group(s) concerned, in mind.

11. Bookings made directly by persons under 18 cannot usually be accepted.

12. Bed linen is provided but towels and soap are not.

13. No responsibility can be taken by Project International for any damage done to articles of clothing while being laundered.

14. It is a condition that all students are covered by a recognised travel insurance policy. Project International can arrange such a policy. Proof may be required that all students are covered prior to travelling.

15. Project International reserves the right to inspect all student bedrooms in the unlikely event of thefts occurring on campus.

16. The price of your holiday is fully guaranteed and will not be subject to any surcharges.

17. This contract is made on the terms of these booking conditions which are governed by English Law and both parties shall submit to the jurisdiction of English court at all times.

18. Students will be required to pay a deposit of GBP 30.00 IN CASH against damages on arrival at the school. This will of course be returned to them at the end of their stay should they not be responsible for any damages. This deposit can be paid in Euros and, with groups, the group leader will be responsible for collecting and depositing such monies.

19. Please note that we cannot ever guarantee which rooms and what size of room any students will occupy. We can take requests and will do our utmost to accede to these requests but can make no promises whatsoever.

20. No refunds can be given whatsoever if groups or individuals decide not to take any particular element of the course (ie. an entrance or an excursion).

21. For English PLUS options, no refunds will be given once an option is booked. Students can cancel before or during the course but no money will be refunded.
